TABLE TENNIS AND GAMES

The photo above is our project for 2026 - a stained glass sculpture of the 'Tree of Life' for our Community Garden this is being made by local artists Paul and Kirstie Hayler.

It has been made possible by a £1,000.00. grant awarded to Havenstreet Community Association from Creative Island and will be made in workshops which will be for residents in the village during the summer of 2026

Please come and support our local Community Centre and all the money raised will go to the upkeep of the Centre
